AI RECOMMENDATIONS

#1: Send check-in message to John Smith

Priority:	MEDIUM
Category:	MOTIVATION
Status:	PENDING

Reasoning: Dropout risk is MEDIUM (45%). Proactive communication may prevent further decline.

#2: Reduce workout frequency to build consistency

Priority:	HIGH
Category:	WORKOUT

Status: PENDING

Reasoning: Client missing 50.0% of workouts. Current target of 4x/week may be too ambitious. Suggest reducing to 3x/week to establish sustainable habit.

#3: Simplify nutrition tracking approach

Priority: MEDIUM

Category: NUTRITION

Status: PENDING

Reasoning: Nutrition compliance at 56.7%. Options: (1) Track protein only, (2) Use hand-portion method, (3) Reduce to 3 meals/day tracking, or (4) Weekly check-ins instead of daily.
